Nursing Mothers and Over-burdened Women

In all stations of life, whose vigor and vitality may have been undermined and broken down by over-work, exacting social duties, the too frequent bearing of children, or other causes, will find in Dr. Pierce's Favorite Prescription the most potent, invigorating restorative strength ever devised for their special benefit. Nursing mothers will find it especially valuable in sustaining their strength and promoting an abundant nourishment for the child. Expectant mothers too will find it a priceless help in preparing the system for baby's coming and rendering the ordeal comparatively painless. It can do no harm in any state, or condition of the female system.

Delicate, nervous, weak women, who suffer from frequent headaches, backache, dragging-down distress low down in the abdomen, or from painful or irregular monthly periods, gnawing or distressed sensation in stomach, dizzy or faint spells, see imaginary spots or spots floating before eyes, have disordered, peevish catarrhal drain, prolapsus, anteversion or retroversion or other displacements of womanly organs from weakness of parts will, whether they experience many or only a few of the above symptoms, find relief and a permanent cure by using faithfully and fairly persistently Dr. Pierce's Favorite Prescription.

This world-famous specific for woman's weakness and peculiar ailments is a pure glyceric extract of the choicest native medicinal roots without a drop of alcohol in its make-up. All its ingredients are printed in plain English on its bottle wrapper and attested under oath. Dr. Pierce thus invites the fullest investigation of his formula knowing that it will be found to contain only the best agents known to the most advanced medical science of all the different schools of practice for the cure of woman's peculiar weaknesses and ailments.

If you want to know more about the composition and professional endorsement of this "Favorite Prescription," send postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for his free booklet treating of same.

You can't afford to accept as a substitute for this remedy of known composition a secret nostrum of unknown composition. Don't do it.

Catarrh

To prove unquestionably, and beyond any doubt, that Catarrh of the nose and throat can be cured, I am furnishing evidence through this paper. I have tried boxes of Dr. Shoop's Catarrh Cure. I do this because I am so certain, that Dr. Shoop's Catarrh Cure will bring actual substantial help. Nothing certainly, is so convincing as a physical test of any article of real, genuine merit. But this article must possess true merit, else the test will condemn, rather than advance it. Dr. Shoop's Catarrh Cure is a nose and throat remedy, by all means also internally. Dr. Shoop's Catarrh Cure, a lack of general strength, bloating, belching, flatulency, bad taste, etc., surely call for Dr. Shoop's Catarrh Cure.

For uncomplicated catarrh only of the nose and throat nothing else, however, need be used but

ARRIVAL OF THE MAURETANIA

With her towering bows incrustated with salt accumulated in her cockpit with big November seas, the Canard steamer Mauretania finished at 11:13 o'clock yesterday morning in a dense fog off Sandy Hook lightship, her maiden trip from Southampton, outside Queens-town. Her time was five days, five hours, and ten minutes, and her average hourly speed was 22.21 knots.

She broke only one record, that for the best day's run, covering on the nautical day, ending at noon on Thursday, 624 miles, thus eclipsing by 6 knots the best single day's run of her sister, the Lusitania. She also broke the record as a carrier of gold, bringing \$12,958,115 chiefly in the form of American eagles and double eagles. It was brought down to the steamship at Liverpool in a specially guarded car. A part of the consignment is in gold bars from South Africa.

The tempest began buffeting the Mauretania when she was half a day out from Queens-town. On Monday she pitched and rolled incessantly.

It was impossible to keep up steam sufficient to head the big ship through the sea-buzzing seas. On her trial trip her propellers averaged about 190 revolutions. On this trip the average was below 160. Her big day's run demonstrated that she has the power to go and can go when the obstructing seas are not too violent.

She lay off the lightship in a thick fog until late yesterday afternoon. The ship was brought up through the Ambrose channel, not reaching her dock until after dark.

The gold aboard the Mauretania was unloaded this morning.

Among the Mauretania's passengers were William J. White, of New York, who was so pleased with the work of the engine force that he gave Captain Pritchard \$500 to give to the stokers as Christmas presents on their return to Liverpool.

LINGERING COLD.

Withstand Other Treatment But Quickly Cured by Chamberlain's Cough Remedy.

"Last winter I caught a very severe cold which lingered for weeks," says J. Ughart, of Zephyr, Ontario. "My cough was very dry and harsh. The local dealer recommended Chamberlain's Cough Remedy and guaranteed it, so I gave it a trial. One small bottle of it cured me. I believe Chamberlain's Cough Remedy to be the best I have ever used." This remedy is for sale by Gibson & Flannery and W. F. Creighton & Co.

A Criminal Attack

on an inoffensive citizen is frequently made in that apparently useless little tube called the "appendix." It is generally the result of protracted constipation, following liver torpor.

Dr. King's New Life Pills regulate the liver, prevent appendicitis, and establish regular habits of the bowels. 25c at all drug stores.

LABOR LEADER ARRESTED.

The members of the labor federative committee, in Havana, and others taking part in the labor movement, to the number 205, were arrested yesterday afternoon and lodged in jail, bail being refused. Instructional Judge Miyeres, in view of many charges of violence and intimidation by strikers, culminating Thursday in the stoning of working masons, in the course of which one man was killed, concluded that the committee was responsible for all the outrages.

He ordered the secret police to arrest the members of the committee and all others present at a labor meeting scheduled for yesterday afternoon, it being his theory that the latter would be there to receive orders as to who were to be attacked.

A builder named Quintana complained yesterday that his workmen had been assaulted and intimidated and Emilio Sanchez, the president of the federative committee, and Feliciano Prieto, its secretary, were arrested. They were released on bail of \$500 each. Yesterday Quintana made another complaint and Judge Miyeres canceled the bail bonds and ordered the arrest of all members of the committee.

Eight secret police went to make the arrests, but finding so many involved they invoked the aid of the municipal police. It took three hours to transport the prisoners from the place of meeting to the police station in patrol wagons. Thence they were sent to jail for the night.

The prisoners represent all the different labor unions, but most of them are delegates of the striking railroad men and masons. President Alfonso, of the Railway Employees' Union, is among the prisoners. When the police arrived the meeting had not been formally opened, but they nevertheless proceeded to arrest everybody present.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babies. The wholesome green leaves and tender stems of a lung-healing mountain shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to suppress or suppress. Simply a genuine plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. Sold by J. C. Leadbeater & Sons.
